Response to Editor Comments

Dear authors,

I am happy to report that the paper is now fit for publication. I spotted one technicality: the lower panel of Fig. 19 has two black lines (solid and dashed). In the caption you refer to a blue and a black line. Pleae fix this so the paper can be moved to the production phase.

Yours sincerely,

Gerrit de Rooij
Editor

We thank you for your time in this review process. The error noted above has been fixed, with 'blue' replaced by 'dashed black'.
