Reply to the Topical Editor report by Sophie Valcke, from 2022-08-26

Dear Sophie

Thank you very much for your comments. We corrected both problems you have pointed out:

- Additional text has been added in section "2.3 Dynamics" (lines 131 - 137) to outline in a nutshell the time integration method.
- Thanks for pointing out the missing parenthesis. This is fixed (line 880).

With very best regards,
Marco
