Final comments to Editor and Publications Production Office

A few minor changes have been made from the most recent submitted version of the manuscript, with the final copy of the attached in this upload of files. These include:

- Addition of IUSS Work Group Reference (2015) to Reference list, as it was missing
- Modification of Author Contributions to include only author initials, as per submission guidelines
- Re-drafting Table 1 to better fit a portrait orientation
- Re-sizing Table 2 to better fit a portrait orientation
