Dear Lander, dear Philippe,

Thank you for responding to the reviewers' comments and submitting a revised manuscript. I think the quality of the article has further improved through this revision. I am pleased to recommend the current version of your manuscript for publication in The Cryosphere.

Congratulations on this great article!

Yours sincerely

Tobias

Dear editor,

We greatly appreciate your positive recommendation of our manuscript. We provided the latest version of the manuscript.

Kind regards

Lander Van Tricht and Philippe Huybrechts.
