Subject: Acknowledgment of Manuscript Acceptance - "A new European coastal flood database for low-medium intensity events"

Dear Pr. Maria Ana Baptista,

I hope this message finds you well. I am writing to express my sincere gratitude for the acceptance of our manuscript titled "A new European coastal flood database for low-medium intensity events¨ for publication in NHESS Journal.
I would like to extend my appreciation to the referees for their meticulous review, constructive feedback.

I also want to assure you that I will promptly complete all the necessary steps outlined in your acceptance letter. In accordance with the previous answers, the revisions recommended by the reviewers have been integrated into this revised version of the manuscript. As also already mentioned, we would like to use the proof reading service of the journal to check this manuscript.

If you or your team require any additional information or assistance from me during the production process, please do not hesitate to contact me back

Once again, thank you for this incredible opportunity, and I am excited about the prospect of sharing our research with the wider scientific community through NHESS journal.

Warm regards,
Marine Le Gal
