

Response to Editor's Request for Correction

Editor's note:

Dear authors,

Thank you for the very thorough revisions of the manuscript in response to the reviewers' comments. This looks all good to me. As agreed by email, please replace the temporary link in the data availability section with the doi that you obtained.

Thank you,
Axel Lauer
(handling topical editor)

Authors' response:

Dear Editor,

We have replaced the temporary link by the Zenodo record number 10407375 (DOI: 10.5281/zenodo.10407375) and added the following reference:

Wan, H. and Zhang, K.: Compressed EAMv1 simulation output for evaluating two aerosol process coupling schemes, <https://doi.org/10.5281/zenodo.10407375>, 2023b.

Sincerely,

Hui Wan
