

Dear Dr. Horgan and the Editorial Team,

Thank you for accepting our paper for publication, pending the correction of a few minor revisions. In the revised document now uploaded, I have addressed all the technical comments provided and included the appropriate references where requested. Additionally, I have consolidated the concluding remarks into a single cohesive paragraph.

I hope these changes meet your expectations and that the paper is now ready for publication. I greatly appreciate all the hard work, time, and patience you and your team have dedicated to this paper over the past year.

Thank you again for your support.

Best regards,
Emma Pearce
