

Response to Second Review – Reviewer 1

Thank you for your comments and corrections. These have all been dealt with except for line 4 where the MAC units were added in at the request of First review, reviewer 1, and have been left in.

*Line 3 amended*

*Line 4 MAC units were added at the request of original reviewer 1, and has been left in.*

*Europe from 1995 added to the introduction.*

*WEU has been replaced by W-Europe, and the definition has been moved to the introduction.*

*Annex corrected to Article*

*New paragraph to make it clear the uses apply to both groups.*

*CCl4 Montreal protocol date of 2010 was for all countries and non-Article 5 from 1996. This has been made clear in the text.*

*Feedstocks sentence removed as suggested.*

*Production added.*

*A space has been included before a '%'*

*“existing infrastructure” has been replaced with “existing products and buildings and in landfill”*

*Text amended to “the Benelux countries”*
