Please note that the Donovan et al. paper is now submitted and can be cited: https://doi.org/10.5194/egusphere-2023-384. I anticipate Eisinger et al. and Mason et al. will take another month until they are submitted.

Dear Robin, thank you for bringing to my attention the paper by Donovan et al. I was not aware that the title had been changed, and your input helped to avoid missing this important detail.
