Object: resubmission of the manuscript “Foraminifera: single-celled bioturbators”

Dear editor,

Please find hereafter our revision of the manuscript entitled “Single-celled bioturbators: benthic foraminifera mediate oxygen penetration and prokaryotic diversity in intertidal sediment” by Langlet et al..

All changes were made following our previous point-by-point response to the reviewers (<https://doi.org/10.5194/egusphere-2023-705-AC1> and <https://doi.org/10.5194/egusphere-2023-705-AC2>). You can find the revised manuscript as well as the track-changes version.

Sincerely,

Dr. Dewi Langlet, on behalf of the authors
