Your tables contain coloured cells or/and coloured values. Please note that this will not be possible in the final revised version of the paper due to HTML conversion of the paper. When revising the final version, you can use footnotes or italic/bold font.

Dear Polina Shvedko,

Thank you very much for validating our files and your comment. We have changed the highlighted numbers in the tables back to just bold rather than bold blue.

Furthermore, I also added my new affiliation, including an updated contact email address, as I moved institutions in the meantime.
