

Sept 13, 2024

I am submitting a revised manuscript to account for the following editor and copy editor suggestions:

1. The latest version of the manuscript now uses only black text (copy editor request)
2. Figure 3 and 9 are now displayed in a larger size in accordance with the editors request.
3. The fonts have been made larger in Figure 5 to make the figure easier to read as requested by the editor.

Thanks

Phil Rasch
