Our responses are in blue below each comment from the reviewer.

The authors claim that they have thoroughly checked the reference list. I did a quick scan of the main text, and the following citations were missing from the References List:

(1) Feng et al. 2018

We added Feng et al. 2018 in the Reference list.

(2) Fu et al. 2022

We added Fu et al. 2022 in the Reference list.

(3) Larzi et al. 2014 (Typo to Lazri et al. 2014)

We corrected this typo.

(4) Zipser et al 2006

We added Zipser et al 2006 in the Reference list.

In addition, we reviewed all citations in the manuscript and the reference list to ensure that each citation is included in the reference list.
