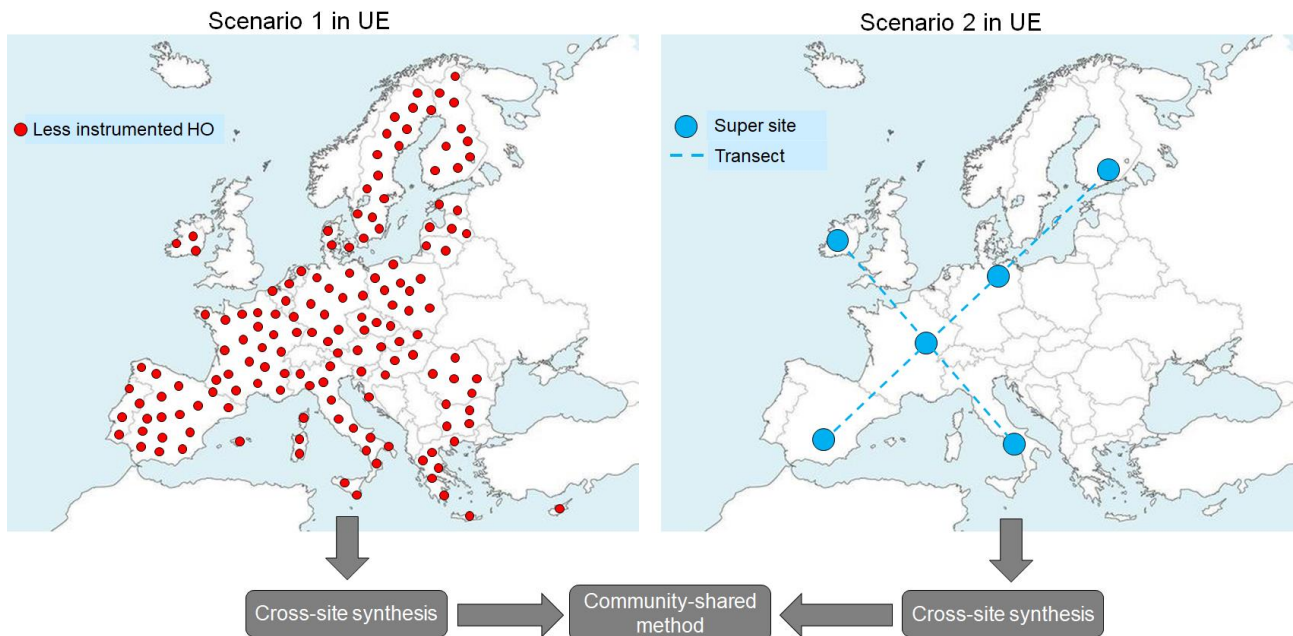
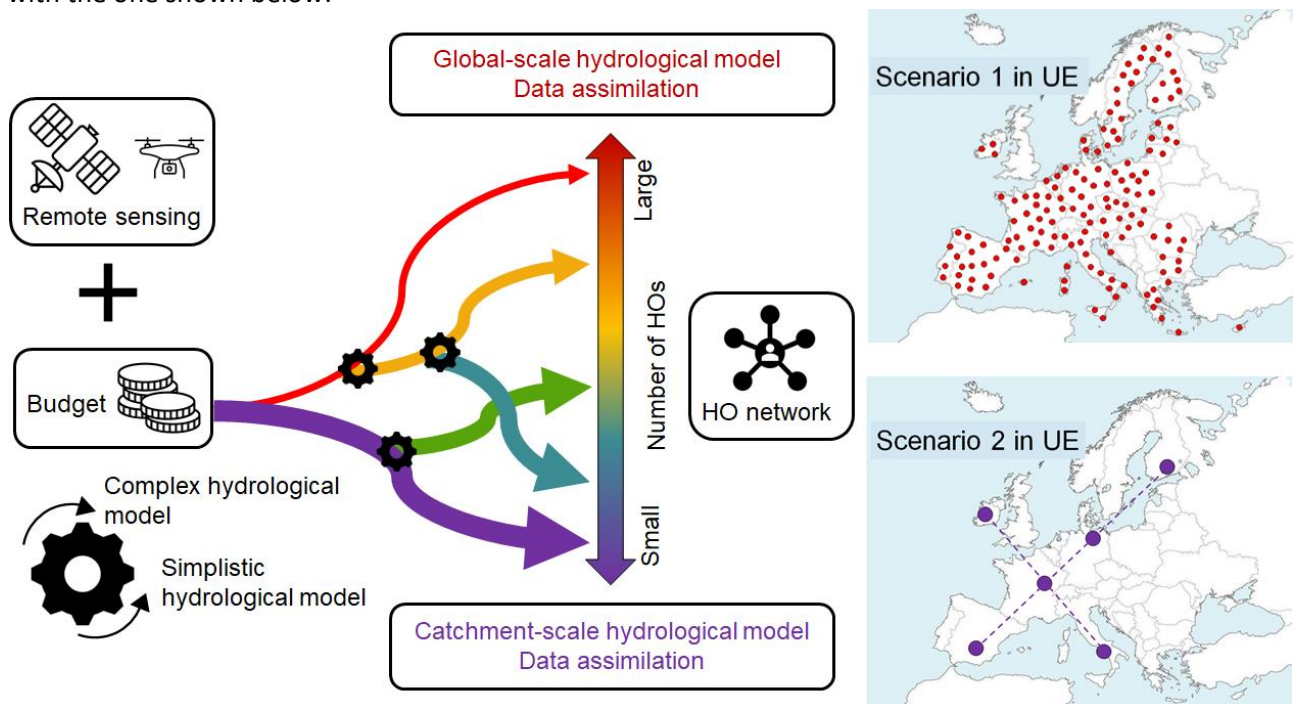
Response to Queries on version #4

Remarks from the language copy-editing:
CE1: OK.

Remarks from the typesetter:
TS1: Dear Editor, the current graphical abstract featuring in the Proof is showed below:


However, we would very much appreciate if you agree to replace the current graphical abstract (see above) with the one shown below:


We do believe that this new graphical abstract is more explanatory, and a very good synthesis of the opinions expressed in our article. It definitely helps the HESS readership to better understand our take-home message.
