

# Author's response to the 3rd minor revision

Ole Pinner (correspondent author)

February 4, 2025

## **1 Line 66: Shipboard-velocity data**

We agree with the editor and clarified in the introduction that we use velocity profiles from only a single cruise.

## **2 Line 581: Number of hydrographic profiles**

We agree with the editor and remind now the reader about the number of hydrographic profiles which include velocity data.
