We genuinely appreciate the work by the referees for helping with the improvement of the manuscript again! Please find our point-by-point responses below.

Reply to Referee #1 (Report #2)

Please check again the values in Tab. 2 – the corrigendum of Burton et al., 2015 was not considered.

A: The values in Tab. 2 related to the study of Burton et al. (2015) have been corrected according to their corrigendum.

Reply to Referee #2 (Report #1)

Table 1: SUMUM to SAMUM
