Response to Editor: egosphere-2024-269, submitted by Bast et al.

Dear Professor Flores Orozco

Thank you for your positive feedback on our manuscript entitled *Short-term cooling, drying and deceleration of an ice-rich rock glacier* (egosphere-2024-269). We are pleased that the manuscript is ready for publication, subject to some minor revisions based on your comments.

We have agreed with all your suggestions and have reworded all the sentences according to your suggestions.

Please find attached our manuscript with our changes (one version with the track changes visible, and one with the accepted changes).

We look forward to hearing from you.

With kind regards,

Alexander Bast, Marcia Phillips and Robert Kenner
