

**Dear Editor:**

Thank you for your kind invitation to submit a technically corrected version of our manuscript for its publication in Natural Hazards and Earth System Sciences.

**Manuscript Details:**

**egusphere-2024-704**

**Title: The World Wide Lightning Location Network (WWLLN) over Spain**

**Author(s): Enrique A. Navarro et al.**

**MS type: Research article**

**A technical correction has been made attending Editor's comment:**

Figures 11, 12, 13, were not entirely created by the authors, therefore captions of these Figures are corrected to include credit.

Yours sincerely,

Enrique A. Navarro
