

LETTER OF RESPONSE

07 January 2025

Dear Editor

Biogeosciences

We here submit the corrected version of the MS “Reviews and synthesis on increasing hypoxia in eastern boundary upwelling systems: zooplankton under metabolic stress”, by Frederick and co-authors.

We have added the following items to the manuscript:

AUTHOR CONTRIBUTIONS

ACKNOWLEDGEMENTS (including our thanks to reviewers)

FUNDING SUPPORT

We thank you and appreciate the consideration of our work

On behalf of all coauthors

Sincerely,

Ruben Escribano
