Dear EGU publications team,

We have modified the manuscript according to the comments of Executive editor, namely we rearranged the layout of the figures and we changed their numbering:

Comments to the author:

Dear Authors, I thank you for taking into account the suggestions and remarks received during the review process; I agree with the advice of the topic editor; I would just suggest to change the numbering of the figures (Fig. 2 instead of 1b-c-d; Fig. 3, instead of 2a; Fig. 4, instead of 2b etc), in order to facilitate the layout of the final version of the paper and the reading; thank you again for choosing SE to disseminate your research results, best regards, Andrea Di Muro, SE Executive editor

Kind regards,
