

**Title:** *Automated urban flood level detection based on flooded bus dataset using YOLOv8*  
**Manuscript Number:** *egusphere-2024-4053*

Dear Editor,

Thank you for your valuable feedback and for accepting our manuscript for publication. We sincerely appreciate the time and effort you have dedicated to reviewing our submission.

We have carefully considered the points you raised and have made the following adjustments:

1. We have thoroughly reviewed all references and ensured that they are correctly formatted and consistent throughout the manuscript. Additionally, we have addressed the specific issue you pointed out regarding the improper citation format in the text.
2. We have ensured that the same font is used consistently across all figures in the manuscript.

We hope these revisions align with the journal's formatting requirements. Please let us know if any further adjustments are necessary.

Thank you once again for your constructive suggestions.

Sincerely,  
Yanbin Qiu
