## Authors' Response to Editor

### Comment 1

Dear Authors,

Thank you for uploading the revised manuscript. I am pleased to accept it for publication in TC. Please ensure the text format, figures, and tables comply with the TC standard (e.g. line 57 "On the other hand" is continuous with the previous sentence rather than starting a new paragraph). Congratulations.

Best regards, Bin Cheng

**Response:** We sincerely appreciate the editor's acceptance of our manuscript. As suggested, we have removed "On the other hand" in line 57.
