

Dear Dr. Füsseis and Dr von Hagke

Thank you for accepting our manuscript. We believe it makes a valuable contribution to the knowledge of the seismotectonics in the area, and we are honoured to have our work published in Solid Earth.

We greatly appreciate your thorough review and invaluable support throughout the submission process. Your insightful suggestions have been incorporated to enhance the quality of our manuscript.

All minor corrections suggested on July 8th have been addressed in the final version. Please find the details below.

Sincerely,

Antonio Olaiz
