

Line 259 of the track changes manuscript: percentiles should be 16th and 84th here, rather than 14th and 86th?

[AR] We corrected to 16th and 84th percentiles.

[AR] We added the following sentence to Acknowledgements:

We thank András A. Sipos and an anonymous reviewer for very helpful reviews and associate editor Fiona Clubb for handling the manuscript.
