

**Response to Reviewers comments about  
the article “*A Bayesian Statistical  
Method to Estimate the Climatology of  
Extreme Temperature under Multiple  
Scenarios: the ANKIALE Package*”**

ROBIN, Y., VRAC, M., RIBES, A., BARBAUX, O. and NAVEAU, P.

March 11, 2026

We have updated the .tex file by moving the appendices after the conclusions and removing the copyright and disclaimer. In response to reviewer 4, we have expanded the conclusion slightly, but we believe that we had already answered the questions raised.
