

1 **Title: Spatiotemporal variation of growth-stage specific concurrent climate**
2 **extremes and their yield impacts for rice in southern China**

3 **15 Sep 2025**

4 **Public justification (visible to the public if the article is accepted and published):**
5 **by Gabriele Messori**

6 Thank you for this update. One of the links that you provided is however not working
7 correctly: <https://doi.org/10.57760/sciencedb.06963>

8 Please verify this and update the data availability section accordingly before providing
9 the final paper production files, after which I am pleased to accept your submission for
10 publication in Earth System Dynamics.

11 **RE:** Thank you for pointing this out. We have updated the link in the Data Availability
12 section. The correct link is:
13 <https://www.scidb.cn/detail?dataSetId=b07f90ea5f0c4e359fa4119a0030f9da> , which is now
14 working properly.

15 In addition, we have also updated the author affiliations to reflect the recent changes in their
16 institutional names.
