

**TECHNICAL NOTE: ANALYSIS OF CONCENTRATION-DISCHARGE HYSTERESIS LOOPS
USING SELF-ORGANIZING MAPS**

AUTHORS' FINAL RESPONSE

We greatly appreciate the handling editor, Roger Moussa, and the three reviewers who provided feedback on this manuscript. We have acknowledged this feedback in the revised Acknowledgements section.

The authors have read through the manuscript a final time, making a few small edits to improve the manuscript's clarity.

We have also acknowledged funding from National Science Foundation award #2344533.
