

The referee believes the authors have sufficiently addressed the issues raised during the first revision. Some minor corrections to language should be incorporated. A non-exhaustive list of issues is below.

Lines 281 – 283: “We have added Table S1 to show” → “Table S1 shows”

Lines 286, 308, for example: The reviewer suggests checking whether hyperlinks and last-accessed information should be included in the text or only in the references section.
