

Reviewer comment

The manuscript is recommended for publication pending minor revision. The reviewer suggests that the authors carefully check the manuscript for correct wording, grammar, and typographical errors.

Authors response

We thank the reviewer for the positive evaluation and recommendation. We have carefully revised the entire manuscript to improve wording, grammar, and clarity, and corrected all typographical errors. A version of the manuscript with tracked changes has been provided to clearly show all revisions made, and a clean revised version has also been submitted. All changes have been incorporated throughout the text to enhance readability and overall quality.
