

Dear Daniel,

thanks for pointing this out.

We have now corrected the **“Code and data availability”** section accordingly. The GitHub repository is now publicly accessible, and the code base has additionally been archived on Zenodo to provide a stable and citable reference.

Code DOI: [10.5281/zenodo.19453511](https://doi.org/10.5281/zenodo.19453511)

Dataset DOI: [10.5281/zenodo.15530171](https://doi.org/10.5281/zenodo.15530171)

Best regards,

Marc
