

Comment: Your Table 5 contains coloured cells. Please note that this will not be possible in the final revised version of the paper due to HTML conversion of the paper. When revising the final version, you can use footnotes or italic/bold font. For now, the process will continue, but please note that the final version cannot be published by using coloured tables.

Response: Previously, we have been permitted to include coloured tables as images or figures. I have uploaded both a PDF and a Word version of Table 5 alongside the figures.
