

Dear Editor,

thank you very much for accepting the article. As requested, I have revised the supplementary material and created a finalized version in PDF format. I also double-checked the references in this file to ensure accuracy. In the manuscript, I updated Figures 6–8 and 13 in accordance with the publisher's guidelines to improve accessibility for readers with color vision deficiencies. Specifically, for Figures 6–8, I adjusted both the colors and the line styles (now using solid, dashed, dotted, and dot-dash lines). For Figure 13, I modified the colors and applied solid and dashed line styles.

Additionally, I realized that I had initially omitted the Financial support section. I have now added this information in lines 672–674. If it is too late to include a separate subsection for this, I would kindly ask that this information be incorporated into the Acknowledgments section instead. Thank you again for your support.

Kind regards,

Łukasz Gruss
