

Final production files for manuscript egosphere-2025-5977

Dear Editorial Office,

Thank you for your email regarding the final production file upload for our manuscript (**egosphere-2025-5977**), titled "*Near Real-Time & Benchtop XRF Intercomparison for PM Elemental Analysis on Quartz and Teflon Filters: A Case Study Across Three European Cities*".

We have thoroughly checked the final files and ensured that all the requirements outlined in your email have been met:

- **Author Names:** Full first names have been used for all authors on the title page.
- **Figures:** Reproduction rights and necessary credits for all figures and maps have been secured.
- **Data Availability:** All relevant data sets have been appropriately cited within the manuscript and the reference list.

Please note that during this final review, the only changes made to the manuscript were some very minor grammatical and typographical corrections. No other alterations have been made to the scientific content or data.

Thank you again for your time, guidance, and assistance throughout the publication process.
