

Response to technical comments:

Your reference list includes a work “in preparation”. Such works can be cited upon submission if being available to the reviewers. They should not be cited in the final, accepted manuscript, unless published, accepted for publication, or available as preprint with a DOI.

Response: Thank you. We inadvertently missed removing the “in preparation” work from the list of references, which we have now removed.

Additional typographical mistake

Page 7, Line 250:

NPF events accounted for the largest fraction of days, occurring on 44 of the 76 campaign days (57.9%).

Replaced with-

NPF events accounted for the largest fraction of days, occurring on 45 of the 76 campaign days (59.2%).
