1.The new figure 6 does not read well for "Dichromatic view." in <https://www.color-blindness.com/coblis-color-blindness-simulator/>

2.Can you correct your citations, if you are using latex, use citep, this will remove your double parenthesis.

Answer: Thank you for your comments. We have revised the colors used in Figure 6 and verified its readability under the "Dichromatic view" using the Coblis simulator. The citation format issue has also been corrected accordingly.
