

Dear Solmaz Mohadjer,

we are pleased to hear that the manuscript is accepted. We followed your recommendation and added a sentence to the “competing interest section”, which reads as follows:

“The following authors work for Geo.X: Jonas Kuppler. All authors actively engaged within the Geo.X network.”

Thanks a lot for your time and recommendation(s),

Kind regards,

Inge Wiekenkamp, Valby van Schijndel, Jacob Hardt, Jonas Kuppler, Ramesh Glückler, Izabella Baisheva, Patricio Yeste, Paul Einhäupl, Maria Rosa Scicchitano, and Simeon Lisovski
